

Non-Disclosure and Intellectual Property Assignment Agreement

This Agreement is entered into on this 1 day of June, 2026, between:

1. The Disclosing Party: Khawulela Trading cc (trading as **Blaze Web Works**), a Close Corporation registered in accordance with the laws of South Africa.

2. The Receiving Party: _____ (the "Intern"), an individual student currently enrolled at CTU Bloemfontein.

1. Purpose of Disclosure

The Disclosing Party is developing a proprietary platform (the "Project"). The Intern wishes to participate in the development of the Project to satisfy the practical hour requirements of their curriculum. In exchange for mentorship, real-world experience, and the certification of completed hours, the Intern agrees to the terms below.

2. Definition of Confidential Information

Confidential Information includes, but is not limited to:

- **The Codebase:** All source code, scripts, and documentation hosted on GitHub or other repositories.
- **Design Assets:** UI/UX designs, wireframes, prototypes, and branding elements.
- **The "Problem":** The specific business logic, unique problem-solving methodology, and functional requirements of the platform.
- **Future Development:** Any authentication modules or login systems developed by the Intern during the term.

3. Intellectual Property (IP) Ownership

- **Assignment of Rights:** The Intern acknowledges that the Project is a "work made for hire" context. The Intern hereby assigns to **Blaze Web Works** all right, title, and interest in and to any work product, code, or designs created during the internship.
- **Moral Rights:** The Intern waives any moral rights to the work in favor of the Disclosing Party to allow for the commercial evolution of the platform.

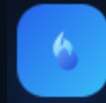

4. Obligations of the Intern

- **Non-Disclosure:** The Intern shall not disclose, duplicate, or reverse-engineer any Confidential Information to any third party without prior written consent.
- **Standard of Care:** The Intern shall use at least the same degree of care to protect the Confidential Information as they use to protect their own sensitive data.
- **GitHub Security:** The Intern agrees to follow best practices for repository security and shall not share access credentials or make private repositories public.

5. Portfolio and Academic Exceptions

- **Portfolio Use:** The Intern is granted a non-exclusive license to list their involvement in the Project in their professional portfolio and on platforms like LinkedIn. However, they may not publish the full source code publicly.
- **Academic Review:** The Intern is permitted to share necessary portions of their work with **CTU Bloemfontein** faculty for the sole purpose of academic grading and verification of hours.

6. Term and Termination

- **Agreement Duration:** This Agreement governs the current project and any future collaborations between the parties.
- **Survival of Confidentiality:** The obligations of confidentiality shall remain in effect for a period of **5 (five) years** after the completion of the Project or the termination of the internship, whichever is later.

7. Consideration

The parties agree that the professional mentorship provided by Blaze Web Works and the formal recognition of hours for the Intern's qualification constitutes sufficient legal consideration for this Agreement.
